ABANDONED PROPERTY

Any personal property left in a resident's bedroom, suite, or unit after they check out or it gives the impression they have moved out will be removed and considered abandoned. Property removed after abandonment or removal from campus housing by the College may be disposed of at the discretion of the College. If necessary, a charge may be associated with the removal of personal items. If you believe you left valuable items behind, please contact the appropriate housing manager immediately. Items that are deemed to have value will be held for a period of no more than 14 days past your vacate date. We will not mail your items to you, it is your responsibility to pick them up.

ACCOMMODATIONS

Midland College provides services for students with disabilities through Student Services. In order to receive accommodations, students must visit www.midland.edu/accommodation and complete the Application for Accommodation Services located under the Apply for Accommodations tab. Documentation must be provided on why accommodations are necessary, this is usually an evaluation by a qualified professional like a psychologist, diagnostician or medical doctor. Services or accommodations are not automatic, each student must apply and be approved to receive them. All documentation submitted will be reviewed and a decision will be made on whether accommodations are appropriate. All requests for accommodations should be directed to the Residence Life Director in the Scharbauer Student Center.

ALCOHOL/ALCOHOLIC BEVERAGE CONTAINERS

Midland College is an alcohol free campus.

No consumable alcohol is allowed in campus housing even if the resident is of legal age. Residents are not allowed to keep alcoholic containers in their units. This constitutes possession of alcohol. Residents are held liable for their visitors who violate this and other Midland College policies/regulations.

Residents participating, possessing, being present in a unit while alcohol is present, and/or witnessing a violation of the alcohol policy are subject to fines, law enforcement citations and immediate expulsion from campus housing.

If an alcohol violation occurs and a resident is under 21 years of age, Midland College may notify the parents or guardian of the resident in accordance with the provisions of the Family Educational Rights and Privacy Act.

If an alcohol violation occurs and a resident is over 21 years of age, contributing to a minor citation may be issued. A \$100 fine for every underage person present will be assessed.

All individuals involved may be charged if alcohol is found in the unit.

Residents are subject to state and federal laws. Law enforcement officials may be summoned to handle violations.

Please restrict mechanic work to checking tire inflation, oil, transmission or other fluid levels or changing a tire or air filter. Should the resident fall below 6 hours for the semester, the student will have a maximum of 48 hours to vacate or submit an appeal in writing to the Residence Life Director or his/her designee to continue living in the Family Units. Residents who withdraw from all coursework have a maximum of 48 hours to vacate the Family Units. If circumstances dictate, a student may be required to vacate the building immediately.

Students who wish to move in at the start of the second 8 week course during a regular semester must first meet with the Residence Life Director or his/her designee for approval. Students must be enrolled in 6 hours for the second 8-week term to live in the Family Units. Situations of this nature will be handled on a case-by-case basis.

To reside in the Family Units during the summer, residents must be enrolled in a minimum of three hours each summer session unless given written permission by the Residence Life Director or his/her designee.

CLEANLINESS

Rooms and bathrooms within the unit must be kept clean. Periodic room checks will be conducted to assure cleanliness. Fines may be assessed if rooms are not cleaned.

Residents are also expected to maintain a proper level of personal hygiene.

Failure to maintain a clean unit may result in disciplinary procedures to include loss of visitation privileges.

CODE OF STUDENT CONDUCT

Residents are responsible for the conduct of friends, family, and guests. Residents agree to abide by all housing rules and regulations as outlined in Campus Housing Regulations and/or the Midland College Catalog/Student Handbook. All roommates may be subject to disciplinary action if a guest in their room violates any of the above rules and regulations.

COMPLAINTS

Residents should register housing complaints in writing with the Family Units Monitor first so they can take proper steps for a resolution. Then, if the complaint is not satisfactorily resolved, a written request for review must be directed to the Residence Life Director.

CONFLICTING DISABILITIES

Individuals who have allergic reactions to animals that are substantial enough to qualify as a disability need to follow procedures to document a medical/physical disability. Individuals need to request specific accommodations related to such disability needs through the Residence Life Directors Office in the Scharbauer Student Center. Midland College will consider the needs of both individuals to reasonably accommodate all involved and resolve the problem as efficiently and expeditiously as possible. (See Accommodations)

CONTRACTS

Residents are required to sign a contract at the time of occupation. No refunds will be made which are inconsistent with the contract. The contract is binding and the resident is responsible for paying the rental fees in full as stipulated in the contract.

COOPERATION WITH COLLEGE OFFICIALS

Housing employees, such as the Family Units Monitor, Hall Managers and Front Desk Staff are college officials. Residents must immediately comply with directions from any college official. Verbal and/or physical abuse directed toward any college staff member will not be tolerated and will be cause for disciplinary action which may include immediate removal from the Family Units.

For more information about counseling and mental health resources, please visit:

<https://www.midland.edu/services-resources/health-wellness/mental-health-resources.php>

COURT YARD

The court yard is for the enjoyment of all residents. As such, be respectful of other people and their property and toys. Parents must be visible while children are outside, and children must be supervised at all times when in the court yard.

At the end of each day, ensure all toys and trash are picked up, put away and not left on the grass. Toys on the grass make it difficult for those mowing the lawn.

There are two concrete areas in the grass of the court yard, and these areas have been designated for grilling. Small grills, no large grills or smokers, may be used on these areas. If utilized, grills must be supervised at all times. Any unsupervised grill can pose a danger to resident children. After the grill cools, it must be cleaned, the ashes placed in the dumpster, and the grill placed back by your unit and the grilling area left clean. Grills are not to be left on the concrete areas, and not to be used next to the buildings or in any unauthorized location. If you choose to grill, failure to comply with the above instructions can result in disciplinary actions.

CRIME STATISTICS

The Midland College Police Department is dedicated to keeping the Midland College community informed about criminal activity occurring on campus. A daily summary of reported crimes is published on their website and is also available for review at the MCPD office between 8:00 a.m. and 5:00 p.m., Monday through Friday, excluding holidays. Information in the crime log typically includes the type of call, date reported, date and time incident occurred, case number, general location, description of the call and disposition of each crime.

In addition, during each Spring Semester, the MCPD gathers data from Student Services, Midland Police Department, and its own records in preparation for publishing the annual statistical report. The Vice President of Student Services and other members of Administration review the material prior to publication to ascertain that all relevant data is included. Once the data is approved, the statistics will be prepared and distributed to the Annual Report required by the Clery Act. The statistical report includes non-arrest incidents resulting in referrals for

campus disciplinary action for Liquor Law Violations, Drug Law Violations, and Illegal Weapons Possession.

For more information about crime statistics, or to view the online summary of reported crimes, please visit:
<https://www.midland.edu/services-resources/police/crime-statistics.php>

DAMAGES

Residents are responsible for any damages to the apartments regardless of who caused the damages. Residents will be charged for repairs or replacement. Reimbursement for any damages to common areas will be proportionally allocated to all the residents' assigned use of the common areas if liability cannot be determined. Residents are not responsible for damage caused by normal wear and tear. However, residents will be responsible for damages that are preventable (i.e. flushing too much toilet tissue, toys, etc. or overflow of water).

Determination of the amount of such loss or damage will be made by Midland College. Failure to pay the assessment promptly may result in a registration, graduation, or transcript hold, loss of the deposit, and/or loss of future residence privileges. Residents may appeal damage charges to the Family Units Monitor in writing within 7 days of notice.

DARTS/DARTBOARD

Because of their potential danger to both persons and property, darts and dartboards are not allowed. Velcro or magnetic dart boards are the only acceptable alternative.

DECORATIONS

When decorating your apartment use discretion with the appropriate hanging hardware. Windows, window treatments, ceilings, walls, mirrors, light fixtures and doors are included in this regulation. Aluminum foil or other material that blocks windows is prohibited.

Occasionally, when printed material and/or posters of an offensive nature (including obscene, defamatory, advocate imminent lawless or disruptive action, considered prohibited harassment) are displayed creating a threatening or otherwise degrading environment for others in the residence hall, the resident(s) will be asked to remove the objectionable item(s). Failure to remove the item may result in disciplinary action.

DEPENDENTS

Dependents must be 18 years of age or younger and enrolled in school at the time of occupancy. Single parent must have legal primary custody of the dependents.

Dependents should be cared for according to the applicable state and federal laws and regulations.

DEPOSITS

A resident's deposit may be used to cover any damages assessed. Should the cost of damages exceed the total deposit, the resident will be held responsible for the remaining balance.

If the resident is in breach of the housing contract, the deposit will be forfeited. Refunds may take 6-8 weeks after move out to process. Any additional refund request must be in writing.

DESTRUCTION OF PROPERTY

Destruction of Midland College property, resident's property or decorations is prohibited in the Residence Halls and Family Units. Violations will result in disciplinary action or immediate and permanent dismissal.

DISRUPTIVE BEHAVIOR

Disruptive behavior in the Family Units, court yard or parking lot areas is not acceptable. Disruptive behavior is defined as interference or obstruction of the activity and operation of the Family Units, court yard or parking lot areas. Interfering with an employee's ability to carry out job duties may be considered disruptive.

Pranks and practical jokes may be considered disruptive.

Use of water guns or water balloons indoors is not allowed.

Public intoxication or being under the influence of alcohol or illegal drugs will be determined by the MCPD and will be considered a violation of the disruptive behavior policy.

The Midland College Police Department will be notified to conduct a well check when a resident appears to be severely impaired and/or under the influence of any alcohol or illegal drugs/substances. If the officer determines that the intoxicated resident could possibly be a danger, they can be taken into protective custody and taken to the hospital.

DISCIPLINE

Violation of Midland College policies and housing regulations are subject to disciplinary procedures.

Disciplinary action may include:

- a) warning;
- b) community service;
- c) formal written warning;
- d) loss of privileges;
- e) fines;
- f) formal disciplinary probation;
- g) suspension; or
- h) dismissal.

Failure to comply with disciplinary action may result in registration, transcript hold, loss of the deposit, loss of future residence hall privileges, and/or expulsion from the Family Units.

Midland College Residence Life maintains a points system to track disciplinary actions as well as program participation points. The point system is designed to promote consideration and safety for others living in our community as well as promote participation in campus events. Each resident begins with 100 points and they can accumulate positive and negative points. Any resident who reaches zero (0) points while living in Midland College housing will be removed from the Family Units. The point values are assigned for the full academic year, from August 15 until the following August 15, but are subject to change for the next year. Points for Family Unit residents will accumulate over the entire period a student resides in family housing.

Incident reports are cumulative as long as the resident attends Midland College. A history of incident reports will be a factor in determining the degree or type of disciplinary action and are subject to be reported to the Midland College Police Department.

For information on campus wide disciplinary processes, please see the Student Rights and Responsibilities section in the catalog online.

DOORS, WINDOWS, WALLS, AND CEILINGS

The doors and windows of each unit should remain closed at all times for security and utility conservation purposes. Residents and guests are not allowed to mark, write or draw on the doors, windows, walls, and/or ceilings. Tampering with Midland College property including, but not limited to, ceiling tiles or air vents is prohibited and constitutes a serious breach of security regulations.

DRESS CODE

When in public areas, residents are expected to be dressed in appropriate attire.

DRUGS

Illegal drugs are prohibited. Possession, use, witnessing the use of and/or sale of an illegal drug (as defined by the Midland College policy manual and catalog/student handbook) and/or substances not meant for human consumption is forbidden on campus.

Possession of drug paraphernalia will also be considered a drug violation.

Use or possession of a toxic chemical for purposes of huffing is considered a drug violation. Nitrous oxide, any glue, paint remover, or chemicals with intoxicating fumes, as well as, paraphernalia including compressed gas containers, tubes, and bags will constitute a drug violation.

It is against the law to have in your possession another person's prescription medication. It is also illegal to have prescription medication that is not in a properly labeled bottle.

Residents are also subject to state and federal laws. Law enforcement officials may be summoned to handle violations. Midland College is a drug free campus.

There is no probation for drug violations. Anyone dismissed due to a drug violation will also be issued a criminal trespass from the Residence Halls, Family Units and Dining Hall by the Midland College Police Department.

All roommates may be cited if drugs are found in the room/unit/community area regardless of ownership.

Residents who violate this policy are subject to immediate suspension from campus housing and may also be subject to disciplinary actions up to expulsion from the Midland College campus.

Students who are suspended from campus housing for a drug violation and wishing to return to the Family Units must meet with the Residence Life Director for approval.

For more information on campus wide disciplinary processes, please see the Student Rights and Responsibilities section in the catalog online.

To control the use of illegal drugs/substances at the Family Units, Midland College may conduct drug searches using the services of the local police department K-9 Unit and/or a private agency. These searches may be unannounced.

EMERGENCIES

Emergency health care is defined as a medical situation which requires immediate attention. Residents should exercise judgment in determining an emergency. In an emergency situation, students should first try to secure their own emergency treatment. Call 911 if necessary. If a student contacts 911, please notify the family units monitor so they can direct paramedics.

In some emergency situations, it may be necessary for Midland College officials to notify the emergency contact of the resident's in an emergency situation. This action will be used at the discretion of the Vice President of Student Services or his/her designee.

EMERGENCY CONTACT NOTIFICATION

Midland College may notify the emergency contacts listed on a resident's housing information if the residents' health or well-being is in question.

EMERGENCY MANAGEMENT OPERATIONS

If a serious crime, natural disaster, or severe weather emergency occurs that poses an immediate threat to the health and safety of the Midland College community or a segment of the MC community, MC has various systems in place for communicating information quickly.

For more information on the Emergency Management operations at Midland College, please visit:

ENTRY, SEARCH AND SEIZURE

Midland College officials have the right to search any room for reasons they deem appropriate to protect the health and safety of all residents. Units may be entered in the absence of the resident and without the resident's consent by authorized Midland College representatives for various reasons including, without limitation to, responding to emergencies, conducting inspections and inventories, performing maintenance, or investigating a policy/rule violation. Internet and e-mail usage may also be monitored by Midland College.

Each apartment has cable TV, computer and phone outlets. Residents must furnish their own TV sets, telephones, computers, and computer software/hardware. Residents pay only for long distance calls and need to use some form of calling card. No collect calls will be allowed.

Accepting collect calls may result in a fine and payment of charges.

A resident and/or their guest may be charged for the following:

- Calling (local or long distance) directory assistance. Please use the phone book.
- Calling 800 numbers or other numbers that result in charges to your room phone number.

Residents are responsible for all items brought into the units. Family Units residents may have cooking devices in the kitchen area only. Illegal appliances will be confiscated by housing personnel and the resident will be required to meet with the Family Units Monitor.

Altering, tampering with, or disabling a smoke detection device or fire prevention device is prohibited. Deliberately initiating a false alarm of a fire system is prohibited. Dispensing the contents of a fire prevention device for any reasons other than to extinguish or prevent a fire is prohibited. Failure to respond to alarm systems and following evacuation procedures is prohibited. Prohibited actions may result in disciplinary action.

FAILURE TO REPORT/COMPLY, PASSIVE INVOLVEMENT & CONCEALMENT OF INFORMATION

Everyone in the campus housing community has the responsibility of maintaining the safety and wellbeing of the community, maintaining the condition of the facility, and taking initiative and action if there is a violation of community standards. A resident's presence during any violation of any housing rules and regulations or policies of the College ultimately condones, supports, and/or encourages violation(s). Residents are responsible for choices they make. In the presence of a rule violation, you may attempt to stop the violation, contact housing staff, and/or immediately remove yourself from the situation and the vicinity of the violation. If you choose to remain at the scene of a rule violation, you will be included in the documentation and may also be held accountable for applicable rule violation(s). Concealment of information is also considered a housing violation. Our vision is that residents accept ownership of, and take responsibility for, resolving conflicts and problems in their community. In the event that a conflict arises that you cannot resolve, please do not hesitate to contact the Residence Hall Manager.

FALSE REPORTS

Texas law states that making a false threat at any Texas higher education institution is considered a state jail felony. This law was enacted in response to threats at several universities across the United States that disrupted classes and prompted evacuation of campus property, even though the reports turned out to be a hoax. This law relates to the offense of making, causing, or reporting a false alarm involving a public or private institution of higher education. A person commits an offense under Section 42.06 if he or she knowingly initiates, communicates, or circulates a report of a present, past, or future bombing, fire, offense, or other emergency that he or she knows is false or baseless and that would ordinarily:

- Cause action by an official or volunteer agency organized to deal with emergencies; or
- Place a person in fear of imminent serious bodily injury; or
- Prevent or interrupt the occupation of a building, room, place of assembly, place to which the public has access, aircraft, automobile, or other mode of conveyance.

An individual adjudged guilty of a state jail felony shall be punished by confinement in a state jail for any term of not more than two years or less than 180 days and, in addition to confinement, may be punished by a fine not to exceed \$10,000. Midland College students should be aware that the State of Texas takes these threats seriously, and the legal consequences, which are severe, go beyond anything that the College's disciplinary committee can address.

FINES

Residents are subject to fines according to the housing rules and regulations. All residents are provided with a housing charge/fines chart at the time of occupancy.

FIRE SAFETY AND OCCUPANCY

Each Family Unit has battery operated CO and fire detectors and fire extinguishers. Maintenance on each unit is provided twice a year by the Physical Plant staff.

In the event of a fire alarm, residents in the Family Units should move outside and away from the Units taking the safest way possible.

Candles, incense, devices with an open flame, fireworks, live Christmas trees, flammable liquids or fuel, overloaded electrical outlets, incendiary devices, and extension cords are all prohibited.

Use or possession of flammable materials, including incendiary devices or other dangerous materials, or substances used to ignite, spread, or intensify flames for fire are prohibited. Attempting to ignite and/or the action of igniting college and/or personal property either by intent or through reckless behavior which may result in damage of college premises will result in disciplinary action.

Due to the age and square footage of each apartment, up to 4 persons are allowed to occupy one unit. It is recommended that any child 6 months of age or younger share a room with the parent(s)/guardian(s).

Residents are required to keep all windows free from boxes and clutter, and keep a clear exit path to the front door at all times.

It is the responsibility of each resident to be familiar with procedures designed to ensure safety and security.

Have an Exit Strategy! For more information visit: <https://www.tdi.texas.gov/fire/exit.html>

All residents must use their key to enter their apartment. Failure to do so constitutes illegal entry. Also, illegal entry may refer to entering a resident's apartment uninvited, even if door is unlocked or propped open. It is illegal to enter an unoccupied room even through a common room door. Illegal entry is subject to disciplinary action and/or dismissal from the family units (refer to keys/cards). **NEVER LOAN YOUR KEY TO SOMEONE ELSE!**

IMMUNIZATIONS

Effective January 1, 2010, the new Texas State Law, HB 4189, requires all students wanting to live on the Midland College campus for the first time **MUST** have a bacterial meningitis vaccination at a minimum of ten (10) days prior to move in.

Future residents must submit one of the following to their assigned Enrollment Navigator : evidence of the student having received the vaccination from an appropriate health practitioner; or an affidavit or a certificate signed by a physician who is duly registered and licensed to practice medicine in the United States, in which it is stated that, in the physician's opinion, the vaccination required would be injurious to the health and well-being of the student; or an affidavit signed by the student stating that the student declines the vaccination for bacterial meningitis for reasons of conscience, including a religious belief.

A conscientious exemption form from the Texas Department of State Health Services must be used.

Midland College requires that all residents have updated shots/immunizations. It is the resident's responsibility to make sure their records and history are up to date.

Midland College strongly urges that in addition to regular immunizations, residents also get the Hepatitis B and Polysaccharide Meningococcal vaccines.

INFORMATION TECHNOLOGY

All computers must be turned off when not in use. Residents must follow the Midland College Computer Acceptable Use Policy outlined in the Catalog/Student Handbook. In addition, computers may not be used as servers when running various programs.

It is recommended that residents use an Ethernet card and cable, a wireless internet card, or USB port. (Midland College does not support dial-up service.)

To use the free internet service provided by Midland College all computers and all users must comply with Midland College's Computer Usage Policy as found in the Midland College Course Catalog/Handbook.

Midland College Information Technology is not responsible for any other computer problems. Internet maintenance requests must be submitted to the Midland College IT Help Desk at 432-685-4788.

INSURANCE

Residents are encouraged to purchase their own health and renter's insurance.
