

Midland College
INEW 2334 - Syllabus
Advanced Web Programming
SCH (3-1)

Course Description

Web programming using industry-standard languages and data stores.

Prerequisite: INEW 1340 or instructor permission

Text, References, and Supplies

Murach's ASP.NET Core MVC, Delamater, 978-1-943872-49-7

Should you choose to purchase your textbooks somewhere other than the college bookstore, you should always check with the instructor first to make sure that there has not been a change in books and that you are purchasing the complete package used for the course.

Student Learning Outcomes (SLO) and Core Competencies

Students who successfully complete this course will be able to:

SLO1 Design, develop, test and document a dynamic web application

SLO2 Develop connectivity between data store and website

Student Contribution/ Class Policies:

Students are encouraged to contact the instructor at any time. If you need to meet with the instructor, you will need to make an appointment to guarantee the instructor's availability at a specific time.

Students will be expected to exhibit professional behavior in class. About cell phone use, keep it on silent and do not take calls unless it is an emergency. Texting, social networking, gaming, or any other type of cell phone activity is not permitted during class time. Students may not use their cell phones at all while completing exams.

Students **MUST** actively participate by completing an academic assignment required by the instructor by the official census date. ***Students who do not actively participate in an academically-related activity will be reported as never attended and dropped from the course.***

Students are expected to participate in class regularly. It is the student's responsibility to log into Canvas. All due dates can be found on the course schedule posted in Canvas. Students are expected to behave in a manner that will not interfere with the learning process.

Should you find that you are unable to complete the course, you must contact the Office of Student Services at Midland College and officially drop the class; otherwise, a grade of "F" will be given for the semester grade. The policy for student withdrawals is stated in the College
