

Midland College

Dear Prospective Radiologic Technology Student:

Thank you for your interest in the Midland College Radiologic Technology Program. The attached admissions information packet should answer any questions you have about the program's application process and admission requirements.

Midland College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools. Graduates of this program are eligible to take the licensing exam to become credentialed radiologic technologists.

The application submission period is May 11 – June 18.

Radiologic Technology classes will begin in the fall semester (August) of every year. Due to clinical availability, the class size is limited. Travel to clinical sites is required.

After you have read the packet, should you have any questions, please contact me at tfuquay@midland.edu.

Sincerely,

Tabitha Fuquay, MBA, BHCM, RT (R)
Radiologic Technology Program Chair

SELECTION PROCESS AND POINTS WORKSHEET

SELECTION PROCESS

- **Class Size:** 10–12 students, annually, depending on clinical site availability.
- **Applicants are ranked using the following criteria:**
 1. Total admission points
 2. Cumulative GPA, calculated from all attempts of prerequisite and optional admission courses
 3. Date of application receipt
- Top-ranked applicants will be invited to an **in-person interview** in July (attendance required). *Only the top applicants will be selected for an interview.* Interviews are scored using a standardized rubric to ensure fairness and consistency.

Applicants are evaluated in the following areas:

- | | |
|---|--|
| ○ Introductory Statement | ○ Understanding of Sonographer Qualities |
| ○ Teamwork and Collaboration | ○ Problem Solving and Resilience |
| ○ Time Management and Organizational Skills | ○ Interpersonal Skills and Conflict Resolution |

Final rankings are determined primarily by the average interview score, with secondary consideration given to the applicant's initial rank.

- Admission decisions are emailed by **August 1**.
