Learning
Community

☐

Cohort-Based
Faculty Development
Program

☐

Teaching
Demonstration

☐

Other

Please comment on the teaching and learning category (teaching assessment, student evaluations, grade distributions, enrollments, overall experience interacting with students, etc.). How would you characterize your growth, development, and or contributions in this area?

Please list any concerns you have related to teaching and learning, and/or additional support or resources that you need:

FACULTY DEVELOPMENT SECTION

Please comment on the faculty development category. Were you happy with your faculty development activities this year? What were your primary takeaways from your faculty development activities, and have you incorporated them into your professional practice?

Please list any concerns you have related to faculty development, and/or additional support or resources that you need:

COLLEGE ENGAGEMENT SECTION

Please comment on the college engagement category. Were you pleased with your contributions to department, division, and/or college-wide projects, committees, or initiatives? What did you gain from your engagement in these college activities?

Please list any concerns you have related to college engagement, and/or additional support or resources that you need:

PROFESSIONAL CONTRIBUTIONS SECTION (optional)

Please comment on the professional contributions category. Were you pleased with your contributions to and participation in professional associations, projects, conferences, and/or committees? What did you gain from your engagement in these professional activities?

Please list any concerns you have related to professional contributions, and/or additional support or resources that you need:

COMMUNITY SERVICE SECTION (optional)

Please comment on the community service category. Were you pleased with your contributions to and participation in community service? What did you gain from your engagement in these community service activities?

Please list any concerns you have related to community service, and/or additional support or resources that you need:

GENERAL EVALUATION AND REFLECTION

Comment on your **general interactions with colleagues and supervisor(s)** this year. Were they positive and productive? Explain.

--

Comment on your **general experience as a faculty member at Midland College** this past year. What were the high points? What do you wish would have gone differently?

--

Please provide any **final comments** related to your formal faculty evaluation. (optional)

--
