Welcome to Midland College Housing

The administration, faculty, and staff of Midland College would like to welcome you to campus housing. The students living on campus are an interesting and diverse group. To ensure a comfortable living environment – one that is beneficial to your academic success, we ask that you familiarize yourself with the following Midland College Campus Housing Regulations.

Residents are considered mature adults and are expected to act accordingly. Upon residing in campus housing, students agree to abide by the terms and conditions of the Midland College Catalog/Student Handbook, Campus Housing Regulations, and State and Federal laws governing the conduct of residents which are now in effect and any that may be adopted and published at a later date. Unless otherwise stated, these regulations apply to all residents in the Residence Halls.

Through meaningful engagement, mutual respect, and intentional support, we prioritize student well-being and accountability, cultivating an environment where residents thrive as learners and responsible citizens."

Vision Statement:

"To provide a safe, clean, and inclusive living environment that supports student success and fosters personal growth."

MIDLAND COLLEGE POLICY VIOLATIONS: SEXUAL HARASSMENT

PROHIBITED CONDUCT

Sexual Harassment is a broad term encompassing all forms of gender-based harassment or discrimination and unwelcome behavior of a sexual nature. The term includes sexual harassment, sexual violence, sexual exploitation, stalking, public indecency, dating violence and domestic violence.

Discriminatory behavior is prohibited regardless of the manner it is exhibited, whether verbally, in writing, by actions, or electronically displayed or conveyed.

Sexual Harassment:

By an Employee

Sexual harassment of a student by a College District employee includes unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A College District employee causes the student to believe that the student must submit to the conduct to participate in a college program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
2. The conduct is so severe, persistent, or pervasive that it limits or denies the student's ability to participate in or benefit from the College District's educational program or activities.

By Others

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, and pervasive that it limits or denies a student's ability to participate in or benefit from the College District's educational program or activities.

Sexual Violence is a form of sexual harassment. Sexual violence includes physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to use of drugs or alcohol or due to intellectual or other disability.

EXAMPLE: Sexual harassment may include sexual advances, touching intimate body parts, coercing physical contact that is sexual in nature, jokes or conversations of a sexual nature, sexual assault, sexual coercion, and other sexually motivated conduct, communications or contact.

Gender-based harassment includes physical, verbal, or nonverbal conduct based on the student's gender, the student's expression of characteristics perceived as stereotypical for the student's gender, or the student's failure to conform to stereotypical notions of masculinity or femininity. For purposes of this policy, gender-based harassment is considered prohibited harassment if the conduct is so severe, persistent, and pervasive that the conduct limits or denies a student's ability to participate in or benefit from the College District's educational program.

In order for us to stop the unwanted behavior and prevent it from recurring, reports of sexual harassment can be made online, by email, in person or by phone any MC staff as mandatory reporters, or directly to the Midland College Title IX Coordinator: Nicole Cooper (Interim) | Title IX/504 Coordinator | SSC Room 125 | 432-685-4781 | title9@midland.edu

ACADEMIC PROGRESS

Academic success is extremely important to Midland College. Residents must demonstrate satisfactory academic progress to continue living in campus housing. Residents must maintain a 2.0 minimum cumulative GPA or have a 2.0 current term GPA for the most recent semester and earn credit in 50% of semester credit hours for which they have registered. If residents do not show satisfactory academic progress in a semester, they will be placed on probation. Residents failing to show satisfactory academic progress in more than one consecutive semester may not be allowed to return to housing at the discretion of the Director of Residence Life.

ABANDONED PROPERTY

Any personal property left in a resident's bedroom, suite, or unit after they check out or it gives the impression they have moved out will be removed and considered abandoned. Property removed after abandonment or removal from campus housing by the College may be disposed of at the discretion of the College. If necessary, a charge may be associated with the removal of personal items. If you believe you left valuable items behind, please contact the appropriate housing manager immediately. Items that are deemed to have value will be held for a period of no more than 14 days past your vacate date. We will not mail your items to you, it is your responsibility to pick them up.

ACCOMMODATIONS

Midland College provides services for students with disabilities through Student Services. In order to receive accommodations, students must visit www.midland.edu/accommodation and complete the Application for Accommodation Services located under the Apply for Accommodations tab. Documentation must be provided on why accommodations are necessary, this is usually an evaluation by a qualified professional like a psychologist, diagnostician or medical doctor. Services or accommodations are not automatic, each student must apply and be approved to receive them. All documentation submitted will be reviewed and a decision will be made on whether accommodations are appropriate. All requests for accommodations should be directed to the Accommodations Services Office in the Scharbauer Student Center.

ALCOHOL/ALCOHOLIC BEVERAGE CONTAINERS

Midland College is an alcohol free campus.

No consumable alcohol is allowed in campus housing areas, rooms, and parking lots-even if the resident is of legal age. Residents are not allowed to keep alcoholic containers in their rooms. This constitutes possession of alcohol. Residents are held liable for their visitors who violate this and other Midland College policies/regulations.

Residents participating, possessing, or being present in a room while alcohol is present, is a violation of the alcohol policy and are subject to fines, law enforcement citations and immediate expulsion from campus housing.

If an alcohol violation occurs and a resident is under 21 years of age, Midland College may notify the parents or guardian of the resident in accordance with the provisions of the Family Educational Rights and Privacy Act.

If an alcohol violation occurs and a resident is over 21 years of age, contributing to a minor citation may be issued and a \$100 fine for applied for every underage person present.

All roommates may be charged if alcohol is found in the room.

Residents are subject to state and federal laws. Law enforcement officials may be summoned to handle violations.

Self-Reporting

Midland College is an alcohol free campus, however, we understand alcohol can be consumed off campus by residents and safety upon their return to housing is our number one concern. For this, we have implemented a Self-Reporting Process for Intoxicated Residents.

If a resident has consumed any alcohol off campus, this reporting process will allow them to report to the front desk of the residence hall up to 2 times during the year, and the staff will take action to ensure the student is safe without consequence. Once a resident has reported twice, and this behavior continues, the staff will seek counseling or other assistance for the student.

ASSAULT

Physical, sexual (See Title IX / Sexual Harassment, page 2) or verbal harm to person or property may result in immediate permanent expulsion from campus housing and other disciplinary action.

AUTOMOBILE MAINTENANCE

Due to the inherent hazards and potential environmental consequences, residence hall parking areas may not be utilized for general repair or maintenance of motor vehicles. Please restrict mechanic work to checking tire inflation, oil, transmission or other fluid levels or changing a tire or air filter. Additional service must be performed off campus at a properly equipped facility. Improper disposal of waste oil, fluids, tires and batteries harms the environment and is a violation of state law. Please dispose of all wastes properly. Derelict vehicles may not be parked on campus and are subject to impoundment.

BABYSITTING

Residents are not allowed to use their rooms or Residence Hall facilities for babysitting. Children (under age of 15 and not residents) should be in the presence of a parent or legal guardian at all times.

CONFLICTING DISABILITIES

Individuals who have allergic reactions to animals that are substantial enough to qualify as a disability need to follow procedures to document a medical/physical disability. Individuals need to request specific accommodations related to such disability needs through the Residence Life Directors Office in the Scharbauer Student Center. Midland College will consider the needs of both individuals to reasonably accommodate all involved and resolve the problem as efficiently and expeditiously as possible. (See Accommodations)

CRIME STATISTICS

The Midland College Police Department is dedicated to keeping the Midland College community informed about criminal activity occurring on campus. A weekly summary of reported crimes is published on their website. Information in the crime log typically includes the type of call, date reported, date and time incident occurred, case number, general location, description of the call and disposition of each crime.

In addition, during each Spring Semester, the MCPD gathers data from Student Services, Midland Police Department, and its own records in preparation for publishing the annual statistical report. The Vice President of Student Services and other members of Administration review the material prior to publication to ascertain that all relevant data is included. Once the data is approved, the statistics will be prepared and distributed to the Annual Report required by the Clery Act. The statistical report includes non-arrest incidents resulting in referrals for campus disciplinary action for Liquor Law Violations, Drug Law Violations, and Illegal Weapons Possession. For more information about crime statistics, or to view the online summary of reported crimes, please visit: <https://www.midland.edu/services-resources/police/crime-statistics.php>

DAMAGES

Residents are responsible for any damages to Residence Hall rooms regardless of who caused the damages. Residents will be charged for repairs or replacement. Reimbursement for any damages to common areas will be proportionally allocated to all the residents' assigned use of the common areas if liability cannot be determined. Residents are not responsible for damage caused by normal wear and tear. However, residents will be responsible for damages that are preventable (i.e. flushing too much toilet tissue or overflow of water).

Failure to remove the item may result in disciplinary action.

A resident's deposit may be used to cover any damages assessed or any amount owed to the institution. Should the cost of damages exceed the total deposit, the resident will be held responsible for the remaining balance. Residents that vacate housing before the contract ends may forfeit their deposit. Residents who fail to check-out properly will forfeit their deposit.

EMERGENCIES

Emergency health care is defined as a medical situation which requires immediate attention. Residents should exercise judgment in determining an emergency. In an emergency situation, students should first try to secure their own emergency treatment. Call 911 if necessary. FAILURE TO REPORT/COMPLY, PASSIVE INVOLVEMENT & CONCEALMENT OF INFORMATION

Everyone in the campus housing community has the responsibility of maintaining the safety and wellbeing of the community, maintaining the condition of the facility, and taking initiative and action if there is a violation of community standards. A resident's presence during any violation of any housing rules and regulations or policies of the College ultimately condones, supports, and/or encourages violation(s). Residents are responsible for choices they make. In the presence of a rule violation, you may attempt to stop the violation, contact housing staff, and/or immediately remove yourself from the situation and the vicinity of the violation. If you choose to remain at the scene of a rule violation, you will be included in the documentation and may also be held accountable for applicable rule violation(s). Concealment of information is also considered a housing violation. Our vision is that residents accept ownership of, and take responsibility for, resolving conflicts and problems in their community. In the event that a conflict arises that you cannot resolve, please do not hesitate to contact the Residence Hall Manager.

FALSE REPORTS

Texas law states that making a false threat at any Texas higher education institution is considered a state jail felony. This law was enacted in response to threats at several universities across the United States that disrupted classes and prompted evacuation of campus property, even though the reports turned out to be a hoax. This law relates to the offense of making, causing, or reporting a false alarm involving a public or private institution of higher education. A person commits an offense under Section 42.06 if he or she knowingly initiates, communicates, or circulates a report of a present, past, or future bombing, fire, offense, or other emergency that he or she knows is false or baseless and that would ordinarily:

- Cause action by an official or volunteer agency organized to deal with emergencies; or
- Place a person in fear of imminent serious bodily injury; or
- Prevent or interrupt the occupation of a building, room, place of assembly, place to which the public has access, aircraft, automobile, or other mode of conveyance.

An individual adjudged guilty of a state jail felony shall be punished by confinement in a state jail for any term of not more than two years or less than 180 days and, in addition to confinement, may be punished by a fine not to exceed \$10,000. Midland College students should be aware that the State of Texas takes these threats seriously, and the legal consequences, which are severe, go beyond anything that the College's disciplinary committee can address.

FINES

Residents are subject to fines according to the housing rules and regulations. All residents are provided with a housing charge/fines chart at the time of occupancy.

FIRE SAFETY

Fire extinguishers and alarm pull stations are located in the hallways of O'Shaughnessy, Daniel, and Craddick residence halls.

In the event of a fire alarm, residents in the upstairs room will exit the room and go to the nearest stairwell, descend to the first floor, and move to open areas away from the building. Residents on the first floor will go directly from the room to the open areas outside and away from the building.

Candles, incense, devices with an open flame, appliances with exposed heating elements (i.e. hotplates), fireworks, live Christmas trees, flammable liquids or fuel, overloaded electrical outlets, incendiary devices, and extension cords are all prohibited.

Use or possession of flammable materials, including incendiary devices or other dangerous materials, or substances used to ignite, spread, or intensify flames for fire are prohibited. Attempting to ignite and/or the action of igniting college and/or personal property either by intent or through reckless behavior which may result in damage of college premises will result in disciplinary action.

During holidays all appliances must be unplugged unless otherwise noted. Violation of this policy may result in disciplinary action.

Residents are required to keep all windows free from boxes and clutter and a clear exit path to the front door at all times.

Two fire drills will be conducted throughout the semester and one during each 6 week summer session. Residents and staff are required to vacate immediately when alarms are sounded. Failure to vacate when alarm sounds may result in disciplinary action. It is the responsibility of each resident to be familiar with procedures designed to ensure safety and security.

Evacuation plans are on the back of the doors in each room. It is the responsibility of the resident to notify Housing of missing evacuation plans.

FOOD SERVICE

The Meal Plan is required for students in Craddick, Daniel, and O'Shaughnessy Halls. Meals not eaten are not transferable to others. During most holidays, meals are not provided. Residents are expected to follow the dining hall guidelines.

1. Residents must present their student I.D. card.
2. No shirt, no shoes, no service.
3. A guest may eat with a resident, but the guest is required to pay for the food. Residents are responsible for the conduct of their guest(s).
4. No food or drink may be taken from the dining hall. If a resident is ill or has a schedule conflict with posted dining hours, the Residence Hall Manager may call or send a note to food service and request a sick tray or box lunch as necessary. Another student may pick it up.
5. All residents should clean their table and dispose of dishes properly when finished.
6. No resident is allowed in the kitchen or serving area unless approved by food service manager.
7. Residents suspended from housing will have their meal plan cancelled.
8. Residents are expected to behave in a mature and responsible manner in the dining hall. If a resident is unable to follow the dining hall rules, they will not be allowed to eat in the dining hall. No refund of money will be given.
9. Students removing dining hall property will be fined accordingly (i.e. plates, cups, mugs, spoons, forks, knives, etc.)

- **Discuss** your pet peeves, musical taste and your feelings at the beginning of the semester, before issues arise.
- Keep **confidential** the problems between you and your roommate.

- Make sure your living area is **clean** and **comfortable**.
- **Keep** accurate records of bills that you share.
- If you **break** something, **replace** it.

If you are unable to solve the issue with your roommate, please contact the Residence Life staff for assistance.

ILLEGAL ACTIVITIES

Hazing, gambling, use or possession of various forms of drugs including synthetic and/or volatile chemicals and narcotics, and use or possession of alcoholic beverages and/or containers on Midland College property are in violation of the Student Conduct Regulations which are found in the Catalog/Student Handbook. All residents should make themselves familiar with the rules and regulations; violation of Midland College policy will result in disciplinary action.

ILLEGAL ENTRY

All residents must use their key to enter the Hall and their room. Failure to do so constitutes illegal entry. Also, illegal entry may refer to entering a resident's room uninvited, even if door is unlocked or propped open. It is illegal to enter an unoccupied room even through a common room door. Illegal entry is subject to disciplinary action and/or dismissal from the residence halls (refer to keys/cards). **NEVER LOAN YOUR KEYS OR CARD TO SOMEONE ELSE!**

IMMUNIZATIONS

Effective January 1, 2010, the new Texas State Law, HB 4189, requires all students wanting to live on the Midland College campus for the first time **MUST** have a bacterial meningitis vaccination at a minimum of ten (10) days prior to move in.

Future residents must submit one of the following to their assigned Enrollment Navigator: evidence of the student having received the vaccination from an appropriate health practitioner; or an affidavit or a certificate signed by a physician who is duly registered and licensed to practice medicine in the United States, in which it is stated that, in the physician's opinion, the vaccination required would be injurious to the health and well-being of the student; or an affidavit signed by the student stating that the student declines the vaccination for bacterial meningitis for reasons of conscience, including a religious belief.

A conscientious exemption form from the Texas Department of State Health Services must be used.

Midland College requires that all residents have updated shots/immunizations. It is the resident's responsibility to make sure their records and history are up to date.

Midland College strongly urges that in addition to regular immunizations, residents also get the Hepatitis B and Polysaccharide Meningococcal vaccines.
