

MIDLAND COLLEGE CAMPUS HOUSING REGULATIONS 2019-2020

x

RESIDENCE HALLS

Welcome to Midland College Housing

The administration, faculty, and staff of Midland College would like to welcome you to campus housing. The students living on campus are an interesting and diverse group. To ensure a comfortable living environment – one that is beneficial to your academic success, we ask that you familiarize yourself with the following Midland College Campus Housing Regulations.

Residents are considered mature adults and are expected to act accordingly. Upon residing in campus housing, students agree to abide by the terms and conditions of the Midland College Catalog/Student Handbook, Campus Housing Regulations, and State and Federal laws governing the conduct of residents which are now in effect and any that may be adopted and published at a later date. Unless otherwise stated, these regulations apply to all residents in the Residence Halls.

ACADEMIC PROGRESS

Academic success is extremely important to Midland College. Residents must demonstrate satisfactory academic progress to continue living in campus housing. Residents must maintain a 2.0 minimum cumulative GPA or have a 2.0 current term GPA for the most recent semester and earn credit in 50% of semester credit hours for which they have registered. If residents do not show satisfactory academic progress in a semester, they will be placed on probation. Residents failing to show satisfactory academic progress in more than one consecutive semester may not be allowed to return to housing.

ACCOMMODATIONS

Accommodations for special needs in housing are available. All requests for accommodations should be directed to the Student Disability Services office in the Scharbauer Student Center.

ALCOHOL/ALCOHOLIC BEVERAGE CONTAINERS

Midland College is an alcohol free campus.

No consumable alcohol is allowed in campus housing areas, rooms, and parking lots-even if the resident is of legal age. Residents are not allowed to keep alcoholic containers in their rooms. This constitutes possession of alcohol. Residents are held liable for their visitors who violate this and other Midland College policies/regulations.

Residents participating, possessing, being present in a room while alcohol is present, and/or witnessing a violation of the alcohol policy are subject to fines, law enforcement citations and immediate expulsion from campus housing.

If an alcohol violation occurs and a resident is under 21 years of age, Midland College may notify the parents or guardian of the resident in accordance with the provisions of the Family Educational Rights and Privacy Act. In addition, residents may receive a minor in possession or minor consuming citation.

If an alcohol violation occurs and a resident is over 21 years of age, contributing to a minor citation may be issued and a \$100 fine for applied for every underage person present.

All roommates may be charged if alcohol is found in the room.

Residents are subject to state and federal laws. Law enforcement officials may be summoned to handle violations.

ASSAULT

Physical, sexual (See Title IX / Sexual Harassment) or verbal harm to person or property may result in immediate permanent expulsion from campus housing and other disciplinary action.

AUTOMOBILE MAINTENANCE

Due to the inherent hazards and potential environmental consequences, residence hall parking areas may not be utilized for general repair or maintenance of motor vehicles. Please restrict mechanic work to checking tire inflation, oil, transmission or other fluid levels or changing a tire or air filter. Additional service must be performed off campus at a properly equipped facility. Improper disposal of waste oil, fluids, tires and batteries harms the environment and is a violation of state law. Please dispose of all wastes properly. Derelict vehicles may not be parked on campus and are subject to impoundment.

BABYSITTING

Residents are not allowed to use their rooms or Residence Hall facilities for babysitting. Children (under age of 17 and not residents) should be in the presence of a parent or legal guardian at all times.

BACKGROUND CHECKS

Students with a conviction for a felony, Class A Misdemeanor or Class B Misdemeanor, or students with pending charges at this level are ineligible to live in student housing. All prospective residents must give written permission for a background check and pay a \$20 non-refundable fee. Background checks may be run each summer on new and returning residents.

CHECK-IN PROCEDURES

Proper check-in includes contacting housing office personnel, signing the Residence Hall contract, completing housing forms, clearing with the cashier's office, and receiving a key and housing publication.

Completion of any portion of the check-in procedures constitutes occupancy and obligates the resident to the entire contract. The housing contract is binding and the resident is responsible for paying the rental fees in full as stipulated in the contract. The rent and deposit may not be refunded if a resident breaks their housing contract.

Residents unable to complete all check-in procedures by the first class day must notify the Student Life Director of the impending delay to ensure that the deposit and reservation will not be forfeited.

Special arrangements must be approved by the Student Life Director or his or her designee.

CHECK-OUT PROCEDURES

Check-out dates will be announced or posted at the end of the semester. Residents must follow these procedures.

Residents must make an appointment with the residence hall manager for checkout.

Failure to check out properly will result in loss of deposit.

When a complete check out is required, students must remove all personal belongings within 48 hours. Any items left in the rooms or apartments after the allotted time will become Midland College property. Midland College reserves the right to dispose of this property.

Rooms must be cleaned and sanitized, including, but not limited to: sweeping, mopping, dusting the furniture, cleaning all appliances, the bathroom and fixtures, clean the walls, windows, and mirrors of decals, posters, and adhesives. Place all trash in the dumpsters located in the parking lots of each Residence Hall.

All keys/cards must be turned in to the front desk the day the resident checks out to prevent a charge and point deduction.

Damage fees will be assessed by Midland College personnel following check out. (see Damages)
All residents must check out of the hall no later than twenty-four hours after their last final exam or dismissal and no later than the times posted and/or announced at mandatory meetings. Fines may be imposed for failure to vacate and property may be considered abandoned and disposed of by housing.

CLASS HOUR REQUIREMENTS

During the academic school year, residents are required to enroll in and maintain 12 hours unless given written permission by the Student Life Director or his/her designee. Should a resident fall to part-time status due to withdrawing from one class, they will be allowed to complete the semester. Should the resident withdraw from more than one class, yet remain enrolled, then the resident must appeal to the Student Life Director or his/her designee to continue living in the Residence Hall. Residents who withdraw from all coursework have a maximum of three days to vacate the Residence Hall. If circumstances dictate, a student may be required to vacate the building immediately.

To reside in the Residence Halls during the summer, residents must be enrolled in a minimum of three hours each summer session unless given written permission by the Student Life Director or his/her designee. Residents agree to abide by all housing rules and regulations as outlined in Campus Housing Regulations and/or the Midland College Catalog/Student Handbook. All Residents with a room in the proximity of the damage or trash will be fined. Assessment of the damage will be made by Midland College.

COMPLAINTS

Residents should register housing complaints in writing with the Residence Hall Manager. If the complaint is not satisfactorily resolved, a written request for review must be directed to the Student Life Director.

CONFLICTING DISABILITIES

Individuals who have allergic reactions to animals that are substantial enough to qualify as a disability need to follow procedures to document a medical/physical disability and request specific accommodations related to such disability related needs through the Student Disability officer (Counselor) in the Scharbauer Student Center or via phone at 432-685-4505. Midland College will consider the needs of both individuals to reasonably accommodate all involved and resolve the problem as efficiently and expeditiously as possible.

CONTRACTS

Residents are required to sign a contract for the Fall and Spring semesters. A separate contract will be required for summer sessions and camps. No refunds will be made which are inconsistent with the contract. The contract is binding and the resident is responsible for paying the rental fees in full as stipulated in the contract.

CRIME STATISTICS

The Midland College Police Department is dedicated to keeping the Midland College community informed about criminal activity occurring on campus. A daily summary of reported crimes is published on their website and is also available for review at the MCPD office between 8:00 a.m. and 5:00 p.m., Monday through Friday, excluding holidays. Information in the crime log typically includes the type of call, date reported, date and time incident occurred, case number, general location, description of the call and disposition of each crime.

In addition, during each Spring Semester, the MCPD gathers data from Student Services, Midland Police Department, and its own records in preparation for publishing the annual statistical report. The Vice President of Student Services and other members of Administration review the material prior to publication to ascertain that all relevant data is included. Once the data is approved, the statistics will be prepared and distributed to the Annual Report required by the Clery Act. The statistical report includes non-arrest incidents resulting in referrals for campus disciplinary action for Liquor Law Violations, Drug Law Violations, and Illegal Weapons Possession.

For more information about crime statistics, or to view the online summary of reported crimes, please visit: <https://www.midland.edu/services-resources/police/crime-statistics.php>

DAMAGES

Residents are responsible for any damages to Residence Hall rooms regardless of who caused the damages. Residents will be charged for repairs or replacement. Reimbursement for any damages to common areas will be proportionally allocated to all the residents' assigned use of the common areas if liability cannot be determined. Residents are not responsible for damage caused by normal wear and tear. However, residents will be responsible for damages that are preventable (i.e. flushing too much toilet tissue or overflow of water).

Determination of the amount of such loss or damage will be made by Midland College. Failure to pay the assessment promptly may result in a registration, graduation, or transcript hold, loss of the deposit, and/or loss of future residence privileges. Residents

may appeal damage charges to the Residence Hall Manager in writing.

DARTS/DARTBOARD

Because of their potential danger to both persons and property, darts and dartboards are prohibited in the residence halls. Velcro or magnetic dart boards are the only acceptable alternative.

DECORATIONS

Due to potential fire hazards, Residence Hall rooms and hallways must have less than 20% of the surfaces covered or decorated. Windows, window treatments, ceilings, walls, mirrors, light fixtures and doors are included in this regulation. Aluminum foil or other material that blocks windows is prohibited.

No decorations are allowed outside a resident's doorway without written permission from the Residence Hall Manager.

Street signs must have a bill of sale (receipt) with them or they will be considered stolen property and returned to the proper authorities.

Occasionally, when printed material and/or posters of an offensive nature (including vulgar language, posters with nudity, racial slurs, etc.) are displayed creating a threatening or otherwise degrading environment for others in the residence hall, the resident(s) will be asked to remove the objectionable item(s). Failure to remove the item may result in disciplinary action.

DEPOSITS

A resident's deposit may be used to cover any damages assessed. Should the cost of damages exceed the total deposit, the resident will be held responsible for the remaining balance. Residents that vacate housing before the contract ends may forfeit their deposit. Residents who fail to check-out properly will forfeit their deposit.

If the resident is in breach of the housing contract, the deposit will be forfeited. All deposit refunds will be reviewed at the end of each semester. Refunds may take 6-8 weeks after the end of the semester to process. All refund requests must be in writing.

Deposits left by residents returning to housing the following semester will be carried over by Midland College.

Failure to comply with disciplinary action may result in registration, transcript hold, loss of the deposit, loss of future residence hall privileges, and/or expulsion from student housing.

Midland College maintains a citation points system to track disciplinary actions. The citation point system is designed to promote consideration and safety for others living in our community. If a resident accumulates any combination equaling seven (7) points while living in Midland College Housing (this includes Fall, Spring, Mini-mesters, Summer sessions, and break periods), he/she will be removed from the Residence Halls. The citation point values are assigned for the full academic year, from August 1 until the following August 1, but are subject to change for the next year. Citations may accumulate over the entire period a student resides in campus housing.

Incident reports are cumulative as long as the resident attends Midland College. A history of incident reports will be a factor in determining the degree or type of disciplinary action and are subject to be reported to the Midland College Police Department.

For information on campus wide disciplinary processes, please see the Student Rights and Responsibilities section in the catalog online.

EMERGENCIES

Emergency health care is defined as a medical situation which requires immediate attention. Residents should exercise judgment in determining an emergency. The system is interfaced with the building fire and smoke alarm systems. Each floor is designed as a separate fire zone. The system is designed to comply to NFPA 13 (light hazard) and/or ordinary hazard, Group 1 as determined by occupancy requirements. The system was designed by a professional engineer experienced in the design of this type of system and licensed in the State of Texas and installed per manufacturer's instructions.

The system is inspected annually for compliance to all State and City codes.

Fire extinguishers and alarm pull stations are located in the hallways of O'Shaughnessy, Daniel, and Craddick residence halls.

In the event of a fire alarm, residents in the upstairs room will exit the room and go to the nearest stairwell, descend to the first floor, and move to open areas away from the building. Residents on the first floor will go directly from the room to the open areas outside and away from the building.

Candles, incense, devices with an open flame, appliances with exposed heating elements (i.e. hotplates), fireworks, live Christmas trees, flammable liquids or fuel, overloaded electrical outlets, incendiary devices, and extension cords are all prohibited.

GETTING ALONG WITH YOUR ROOMMATE

Honesty, understanding, and mutual respect are important elements in learning to live with your roommate.

Try the following helpful hints:

- **Communicate** with your roommate and suitemates.
- **Discuss** your pet peeves, musical taste and your feelings at the beginning of the semester, before issues arise.
- Keep **confidential** the problems between you and your roommate.
- **Don't** leave nasty notes for your roommate or suitemates. **Discuss** the problem honestly and privately.
- **Set boundaries** - discuss who can borrow what, when, and for how long before issues arise.
- **Set up** schedules for showering, cleaning, studying, sleeping, and for entertaining guests.
- Make sure your living area is **clean** and **comfortable**.
- **Keep** accurate records of bills that you share.
- If you **break** something, **replace** it.
- **Don't wait** for the problem to escalate! Involve the Residence Hall Manager for assistance.

Please note, if a resident continually contributes to roommate dissension, they may be subject to disciplinary procedures, including suspension.

ILLEGAL ACTIVITIES

Hazing, gambling, use or possession of various forms of drugs including synthetic and/or abusable volatile chemicals and narcotics, and use or possession of alcoholic beverages and/or containers on Midland College property are in violation of the Student Conduct Regulations which are found in the Catalog/Student Handbook. All residents should make themselves familiar with the rules and regulations; violation of Midland College policy will result in disciplinary action.

ILLEGAL ENTRY

All residents must use their key to enter the Hall and their room. Failure to do so constitutes illegal entry. Also, illegal entry may refer to entering a resident's room uninvited, even if door is unlocked or propped open. It is illegal to enter an unoccupied room even through a common room door. Illegal entry is subject to disciplinary action and/or dismissal from the residence halls (refer to keys/cards). **NEVER LOAN YOUR KEYS OR CARD TO SOMEONE ELSE!**

IMMUNIZATIONS

Effective January 1, 2010, the new Texas State Law, HB 4189, requires all students wanting to live on the Midland College campus for the first time **MUST** have a bacterial meningitis vaccination at a minimum of ten (10) days prior to move in.

Future residents must submit one of the following to their assigned Enrollment Navigator: evidence of the student having received the vaccination from an appropriate health practitioner; or an affidavit or a certificate signed by a physician who is duly registered and licensed to practice medicine in the United States, in which it is stated that, in the physician's opinion, the vaccination required would be injurious to the health and well-being of the student; or an affidavit signed by the student stating that the student declines the vaccination for bacterial meningitis for reasons of conscience, including a religious belief.

A conscientious exemption form from the Texas Department of State Health Services must be used. (<https://webds.dshs.state.tx.us/immco/affdavit.shtm>)

Midland College requires that all residents have updated shots/immunizations. It is the resident's

responsibility to make sure their records and history are up to date.

Midland College strongly urges that in addition to regular immunizations, residents also get the Hepatitis B and Polysaccharide Meningococcal vaccines.

INFORMATION TECHNOLOGY

All computers must be turned off when not in use. Residents must follow the Midland College Computer Acceptable Use Policy outlined in the Catalog/Student Handbook. In addition, computers may not be used as servers when running various programs.

Students must be aware that illegal file-sharing could lead to massive fines and incarceration from law enforcement. Midland College will assist companies and law enforcement with investigations. Midland College may also pursue disciplinary action.

Downloading anything between 7:00 a.m. and 7:00 p.m. is prohibited. Residents in the Residence Halls need an Ethernet card and cable, a wireless internet card, or USB port. (Midland College does not support dial-up service.)

To use the free internet service provided by Midland College all computers and all users must comply with Midland College's Computer Usage Policy as found in Midland College Course Catalog/Handbook.

Midland College Information Technology is not responsible for any computer problems. Internet maintenance requests must be reported to the front desk. Failure to follow all information technology procedures may result in fines and loss of computer (Internet) privileges. Residents may also be fined for directly contacting IT and failure to log in request at the front desk.

INSURANCE

Residents are encouraged to purchase their own health and renter's insurance. Midland College, its governing board, administration and employees do not assume any legal liability for personal injury or loss or damage to personal property of housing residents and their family, friends, or guests which occur on Midland College property, including, without limitation to, loss or damages due to injury, death, rape, assault, theft, burglary, vandalism, and/or natural phenomenon (fire,

flood, water leaks, rain, hail, smoke, explosions, and tornadoes).

INTERFERENCE WITH EQUIPMENT

Interference with any Midland College equipment (i.e. video cameras, smoke detectors, surveillance equipment, door alarms, etc.) is prohibited and may result in disciplinary action or immediate dismissal from the residence halls or family units.

INTOXICATION

Midland College is an alcohol free campus, however, we understand alcohol can be consumed off campus by residents and safety upon their return to housing is our number one concern. For this, we have implemented a Self-Reporting Process for Intoxicated Residents.

If a resident has consumed any alcohol off campus, this reporting process will allow them to report to the front desk of the residence hall up to 2 times during the year, and the staff will take action to ensure the student is safe without consequence. Once a resident has reported twice, and this behavior continues, the staff will seek counseling or other assistance for the student.

KEYS/CARDS

Keys/cards will be issued to the resident during check-in. Residents must keep their keys with them at all times. Access to the resident's room and wardrobe is the resident's responsibility. When a key is lost, a new key must be made. The resident who lost the key will be charged a \$35 dollar fee per lost key and any subsequent key replacements will be \$35 and points deducted per key which may lead to dismissal from the residence halls. Residents that fail to return their keys at checkout will receive a fine for improper checkout (refer to Illegal Entry).

Jeopardizing the security of the halls by failing to report lost or stolen keys is a serious violation.

Fines imposed for missing keys will not be removed for keys/cards turned in 3 days after resident has moved out.

LAUNDRY FACILITIES

The Residence Halls have coin-operated laundry facilities. Residents are responsible for all laundry supplies. Clothing should not be left unattended. If laundry is left in a machine past the time when the machine stops, a person waiting for the machine may

remove the laundry so they can use the machine. Midland College is not responsible for lost or stolen items. Residents are responsible for keeping the laundry rooms clean and for reporting maintenance needs to the Residence Hall Manager. Residents should keep change for the machines. Residents attempting to override the fee may be subject to disciplinary action.

LITTER

Campus beautification is a major focus of the Student Life Office. Please help us keep our campus clean and safe by taking all waste to the dumpsters located in close proximity to each residence hall. Any individual caught littering will face disciplinary action. If litter is found outside of a particular Residence Hall, all residents will be charged a community fine.

LOBBY

Residents and guests may use the first floor Residence Hall lobby for watching TV, visitation and leisure activities from:

Residents and guests are not allowed to use the lobby furniture for sleeping, as a foot rest, to use the cushions as pillows, or to move the furniture to another location.

Second floor lobby is not open for visitation without IDs and escorts.

LOCK DOWN/SHELTER IN PLACE

If you should receive an emergency alert or hear the campus emergency system sound, follow the instructions given. You will need to find a safe secure location quickly, lock the door, turn off the lights, hide, and wait for the all clear.
